How do I access my online learning space when school is closed?

1. Go to <https://www.rmunify.com>

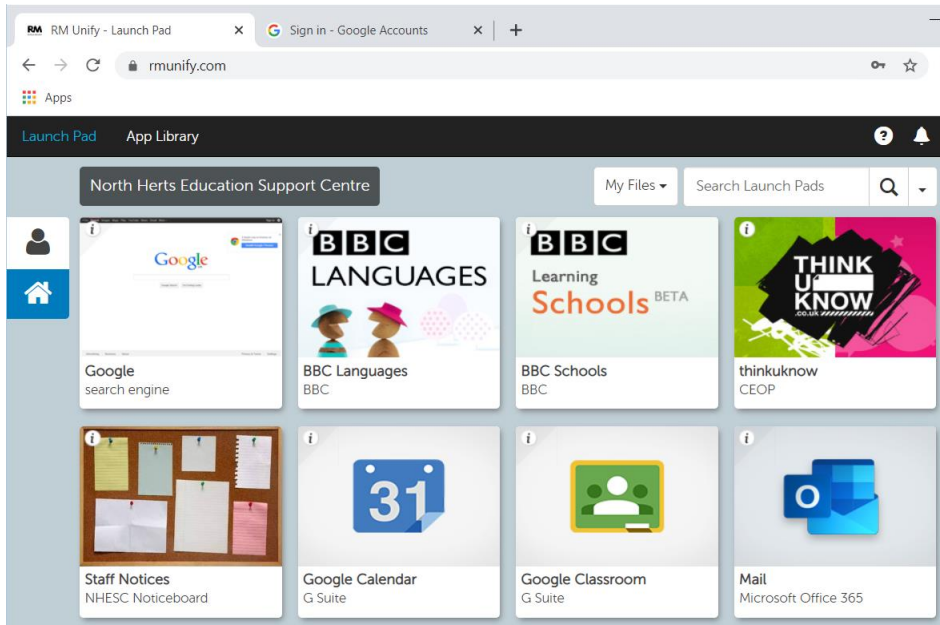

2. Enter your username:
3. Enter your password:
4. If you see this screen, tick both boxes and click on Launch RM Unify

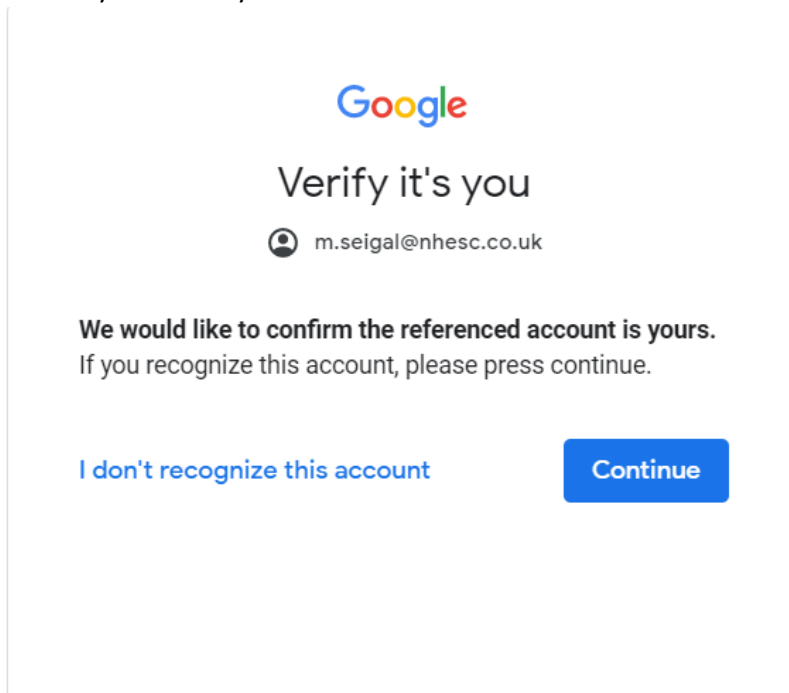

5. Make sure you are logged into your school Google account by clicking on the Google Calendar tile.

RMUnify Username: <supplied to students individually>
RMUnify Password: <supplied to students individually>

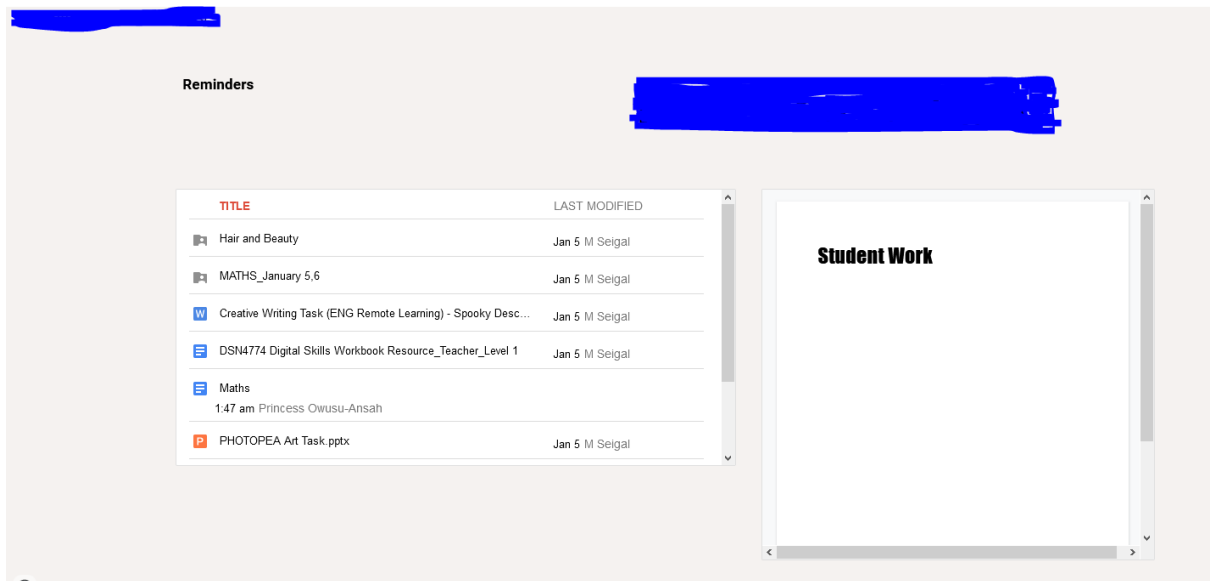

6. Confirm your identity

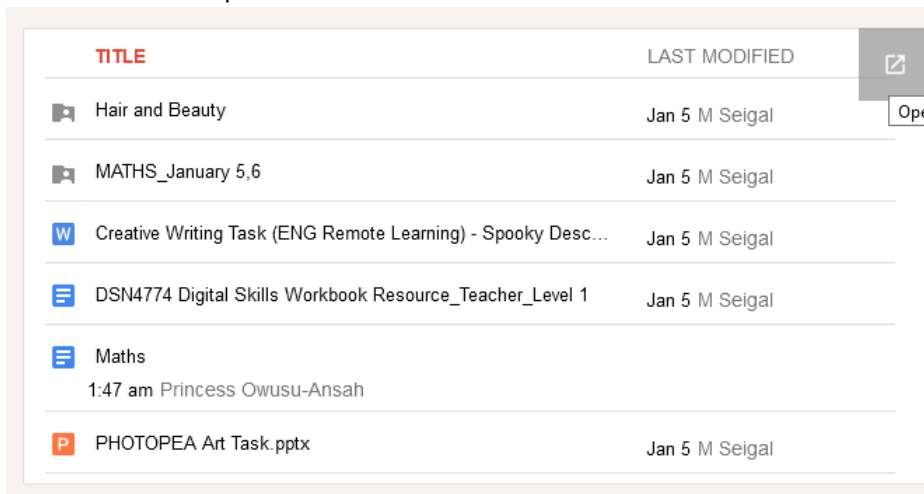

RMUnify Username: <supplied to students individually>
RMUnify Password: <supplied to students individually>

7. Go to this web address:
It looks like this:

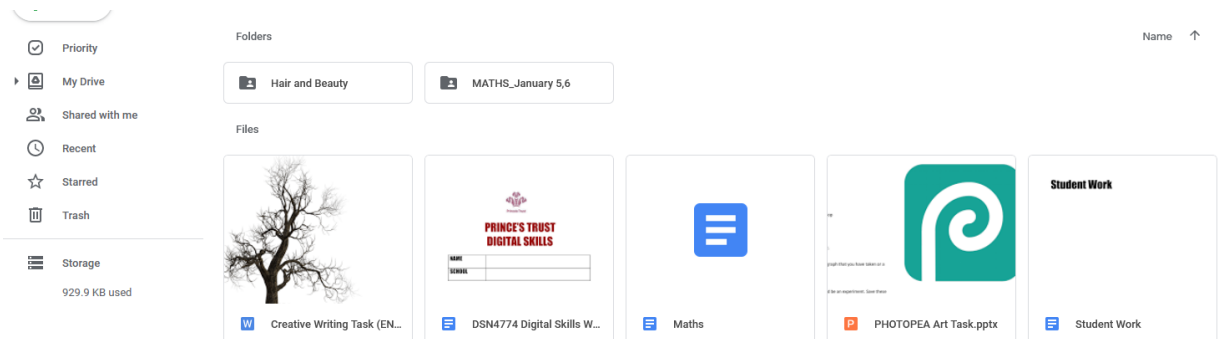

8. You have an online folder with files and resources from your teachers.
You can click to expand the folder view.

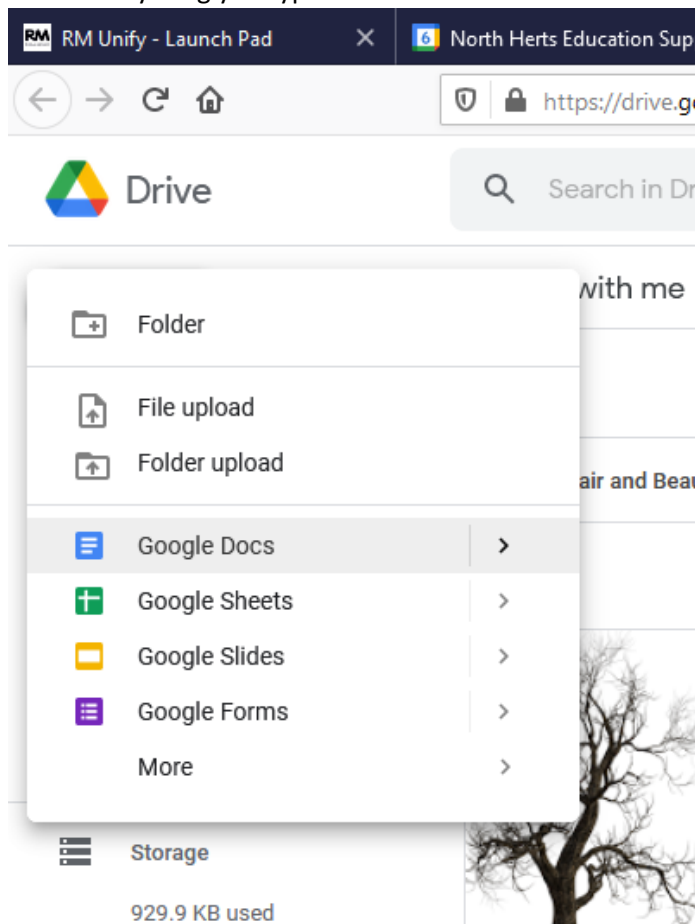

RMUnify Username: <supplied to students individually>
RMUnify Password: <supplied to students individually>

9. When you are in the folder view (Google Drive)
You can do the following:
Open files or documents by clicking on them

Making new documents by clicking on New – Google Docs
Anything you type in these documents will be shared with your teachers.

There will be a timetable on your learning space and your teachers will be in touch to help you with any issues.

Please get in touch with Matt at NHESC (m.seigal@nhesc.co.uk) if you have any issues.
